Subject: Drum load for Friday going to G.E.M.

I just and looked at prospective drum load for Friday drum load going to G.E.M.

Line item C (WP-09, WP-10)

Wp-09 contains 48- 1H1 drums, 2-1A1 drums and 7-85 gal over packs for a total of 57 drums
WP-10 is non existent, it has already been added to the RFP-09 solid product roll off boxes

Line item J (WP-18)

This contains 4-1H1 drums and 1-1A1 drum for a total of 5 drums

Line item K (WP-19)

This contains 3 1-H1 drums

Line item L (WP-32)

This contains 1-1H1 drum, 2-1A1 drums, and a 265 gallon poly bladder surrounded by a steel cage tote for a total of 3 drums and 1 tote

Part of this line item (WP-22, 5-85 gallon over packs) was sent out on the load sent today with the St Joseph truck

Also I will fax the manifest copy to you later James

Thanks
